

COVID-19 Patient Information Sheet

(AS OF 3-17)

If you have upper respiratory symptoms such as cough, fever, shortness of breath or believe you have been exposed to someone suspected of having coronavirus we are unable to see you face to face during this pandemic. Please call 313-875-5730 to schedule a visit via the telephone. Our team will assist you in connecting with one of our providers. If you feel your medical condition is of an urgent nature a list of local emergency departments and their phone numbers are listed below.

Thank you for your patience and understanding.

Your health and safety is of the utmost importance to us.
