

COVID TESTING

Please see the following information about COVID-19 Testing available at The Wellness Plan :

TWP began drive-through and walk-up COVID-19 testing at our East Medical Center (EMC) located at 4909 East Outer Drive, Detroit, Michigan 48234 on Friday, May 21st. Testing will be held Monday – Friday during the hours of 9-5PM. **Patients must be 12 years of age or older.**

NOTE: Patients are **not required** to have symptoms of COVID-19 to be tested.

Testing will be available **by appointment only**. Please call the TWP COVID-19 Triage Line at **313-875-5730** to schedule an appointment.

Other Information:

- Testing will be available for both TWP and non-TWP patients, however testing will require both a Pre and post COVID testing appointment.
- Patients will obtain a brief, same-day telemedicine visit and be scheduled for a COVID test within 48 hours.
- After testing, the patient will receive a follow up telemedicine visit for their results 4-5 business days after testing.
- In accordance with the CARES Act, Section 3202(b) which requires providers of diagnostic testing for COVID-19 to publish the cash price of testing, The Wellness Plan Medical Centers has the following cash schedule:
 - Screening 99441 - \$25.00
 - Specimen Collection - \$15.00
 - Diagnostic Test - \$67.00
